Graduation Day

Valliammai Engineering College celebrated the 14th Convocation Ceremony on 15th September, 2018 at Dr. T. P. Ganesan Auditorium. Dr. Shankar Venugopal, Vice President, Mahindra & Mahindra was the Chief Guest and conferred the degrees on the graduands. Dr. T. R. Paarivendhar, Founder Chairman, Chancellor, SRM University declared open the Convocation Ceremony and addressed the

students on the responsibilities and reflections that they need to carry out as responsible citizens at work and in the society and also highlighted the importance of being the Alumni. Dr. N. Sethuraman, Registrar, SRM University was also present during the function. Dr. B. Chidambararajan, the Principal presented the Annual Report. Dr. M. Murugan, the Vice Principal presented the rank holders of the year. The ceremony witnessed 15 Rank Holders and overall of 771 undergraduates and 162 post graduates having received their medals and degree certificates.

DEPARTMENT OF CIVIL ENGINEERING

Industrial visit to Sea Blue Ship yard

The Third year Civil II students went on a two day industrial visit to Idamalayar Dam & Sea Blue Ship yard on 03.08.18 & 04.08.18.

The Final year Civil III students went on a two day industrial visit to Kundala Dam, Mattupetty Dam and Malabar Cements on 09.08.18 & 10.08.18.

Industrial visit to Malabar Cements

The Third year Civil III students went on a two day industrial visit to CSIR and Shobha Ltd, Bangalore on 10.08.2018 & 11.08.2018.

A Value Added Course was organized on the 'Construction Concept of Prefabricated Structures' in association with Sree Construction on 04.08.18 & 25.08.18.

Value Added Course was organized on the 'Construction Concept of Prefabricated Structures'

A Guest Lecture was organized on the 'Application of Nanotechnology in Civil Engineering' on 21.08.18 for the UG and PG Civil Engineering students. The Guest speaker was Dr. R. Santhakumar, Professor, Department of Civil Engineering, NITTR, Taramani, Chennai.

A Guest Lecture was organized on the 'Recent Trends in the Usage of Structural Steel' on 10.09.2018 for the UG and PG students. The Guest Speaker was Dr.S.R.Santhishkumar, Professor, Structural Division-IIT-Chennai.

Guest Lecture on the 'Application of Nanotechnology in Civil Engineering'

Mr. G. Subhaschandran, Mr. A. Siron Charles & Mr.S.Sangili Udayappan of Final year Civil III secured First prize in the 'Paper Presentation' event in the National Level Technical Symposium, 'TECHPLEX' conducted by the Dept of Civil Engineering at New Prince Shri Bhavani College of Engineering on 08.09.18 and also secured First prize in 'Radio Jockey' event in the National Level Technical Symposium, 'TECHPLEX' conducted by the Dept of Civil Engineering at New Prince Shri Bhavani College of Engineering on 08.09.2018.

The Dept of Civil Engineering, Valliammai Engineering College in association with the Institution of Engineers (I) Student Chapter (VEC) and the Indian Society for Technical Education (ISTE) jointly organized CONSTRUO-2018, the Seventh 'National Level Technical Symposium' on 22nd September 2018. It was inaugurated by the Chief Guest Er. K.Venkatesan, Immediate Past Chairman, Treasurer-Tamil Nadu, Pondicherry & Andaman Nicobar, Builders' Association of India (Southern Centre).

Release of Souvenir of CONSTRUO-2018, the 7th 'National Level Technical Symposium'

A Guest Lecture was organized on the 'Impact of Pesticides' on 26.09.18 for the Third and Final year Civil Engineering students. The Guest speaker was Professor Dr.David G. Wareham, Dean, International and Deputy Pro-Vice Chancellor, College of Engineering, University of Canterbury, Christchurch, New Zealand.

Guest Lecture was organized on the 'Impact of Pesticides'

Dr. S. Gunaselvi /Asst.Prof, Dept of Civil Engineering participated in a two day workshop on the 'Electrochemical Corrosion Techniques: Theory and Hands on Training' organized by the Dept of Civil Engineering and the Dept of Chemistry held during 7th & 8th September 2018 at B S A Crescent Institute of Science and Technology, Chennai.

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

Ms. D. Kavitha (AP/CSE) successfully defended her thesis during the Ph.D open Viva-Voce on 28th Aug 2018 at Anna University Guindy Campus Chennai.

Dr. B. Muthusenthil registered a Patent entitled 'All in One Portable Smart Pill Box: A Design of Smart Pill Kit'.

Dr. V. Dhanakoti was appreciated by the Spoken Tutorial IIT, Bombay for spreading awareness and holding software training workshops.

Our Principal & Vice-Principal appreciated Mr. Vijay of the Final year CSE-II with a certificate and a prize for his efforts towards VEC Progress Report Automated Tool.

Workshop on the 'Deep Learning and its Applications'

A one day workshop was conducted on the 'Deep Learning and its Applications' on 10th August 2018.

Students of II year CSE-I went on an Industrial Visit to SLN Technologies, Velachery on 10th August 2018.

The students of II year CSE-III went on an Industrial Visit to BSNL, Maraimalai Nagar on 14th September 2018.

The CSE Department organized a three day - Entrepreneurship Awareness Camp (EAC) sponsored by the 'Entrepreneurship Development Institute of India (EDI) Ahmedabad, NST Entrepreneurship Development Board, DST, Govt. of India, and DST NIMAT Project 18 -19 scheme. The Camp was held during 23-25 August 2018.

Entrepreneurship Awareness Camp (EAC)

A National Level Technical Symposium Cyborgs 2K18 was organized on 29.09.2018. The symposium was inaugurated by Dr. D. Vidhya, Director, Inautix Technologies India Pvt Ltd., (BNY Mellon Technology Affiliate, Chennai). About 80 students from different institutions along with our students participated in the event.

National Level Technical Symposium CYBORGS 2K18

The Mini Project Expo-2K18, in association with the CSI Student Branch was conducted on 19-09-18 for the CSE students. The Panel members were Ms. K. S. Sujitha / Head- Smart Destiny Learning Solutions, Mr. S. Ranganath

Orientation Programme for First year UG students

The Valliammai Engineering College conducted a two day Orientation Programme on 31st August and 1st September 2018 for the first year UG students. The Principal inaugurated the programme and highlighted the importance of quality education and discipline to reach great heights in their career. The Vice Principal in his speech emphasized the key activities of VEC. He also underlined the importance of being disciplined and well behaved during their tenure in the college. The Senior Faculties of the College highlighted on various areas such as Placement details, Association Activities, Anna University Exams, Prevention of Ragging, Student Counselling Cell, Tamil Mandram, Online NPTEL Courses, YRC, Sports and Fine Arts Club activities. Student toppers from different departments welcomed the Freshers' and motivated them. The invited Alumni shared their experiences and encouraged the students for their future endeavours. Motivational Talks and Campus Tour were also the part of this Orientation Programme. By the end of the Orientation Programme, the students were made aware of the new regulations of Anna University and were given insights about all the departments of the College.

Krishna/Senior Analyst-Network Security, HCL Technologies .Totally, 23 teams participated in this event. R.Prithive Raj Kumar, Ramanan.G.R, Sandeep Kumar Raj and Vijay.R of IIIyr/CSE2 won the first prize.

Mini Project Expo 2k18

A Value Added Course was conducted on 'Data Analytics using Sensors, Cloud and R Programming' in association with Stigmata Techno Solutions LLP, Pazavanthangal, Chennai in the month of August 2018 (03.08.2018 to 29.08.2018) for the benefit of all CSE students and others.

A Guest Lecture was delivered on the 'Artificial Intelligence' by Mr. S. Rajaraman, Technical Analyst, Infosys on 26.07.2018.

DEPARTMENT OF ELECTRICAL & ELECTRONICS ENGINEERING

Guest Lecture on 'The Intelligent Management of Electrical Systems in Industries'

Conducted a one day Guest Lecture on 'The Intelligent Management of Electrical Systems in Industries' on 13th July 2018. Mr. V. S. Srirajabalaguru, Assistant Executive Engineer, Non-Conventional Energy Sources, TNEB, Head Quarters, Chennai, was the Resource Person.

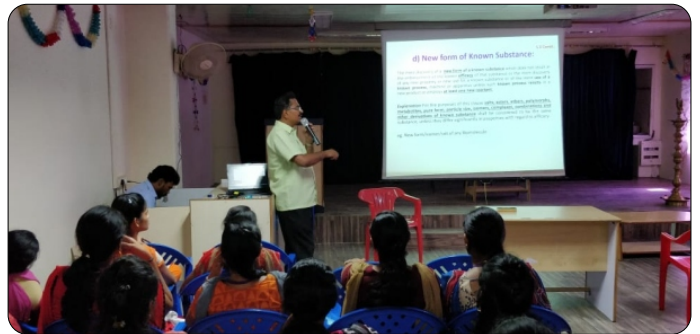

National Level Technical Symposium - EMERGE 2K18

The Department of Electrical and Electronics Engineering organized the 8th National Level Technical Symposium on the 'Emerging Technologies in Electrical

and Electronics Engineering' (EMERGE 2K18) on 21st July 2018. The Symposium was organized with the primary objective of bringing together the academicians and the practitioners in Electrical and other associated fields on a common platform to share their knowledge and expertise so as to contribute towards research and development in the field. The session had Mr. K. Mourougayane, Scientist-F & Head, DSP Division, SAMEER, Ministry of Electronics and Information Technology Centre for Electromagnetics, Government of India as the Chief Guest.

Conducted a Seminar on the 'Patentability in Engineering Applications' on 21st August 2018. Mr.V.Palaniswamy, Assistant Controller of Patents & Designs (Electrical Division), the Patent Office, Chennai Branch, Government of India, Ministry of Commerce & Industry, Department of Industrial Policy and Promotion was the Resource Person.

Seminar on the 'Patentability in Engineering Applications'

Conducted a Workshop on 'The Real Time Analysis and Implementation of FRTUs in High Power Automation System using TANGEDCO Network' on 7th September 2018. Dr. E. Lakshmanan, Assistant Executive Engineer, Electrical, SCADA Control Centre, Chennai was the Resource Person.

Workshop on 'The Real Time Analysis and Implementation of FRTUs in High Power Automation System using TANGEDCO Network'

Conducted a Mini Project Expo on 19th September 2018 for the second year and third year students. Second year

Mini Project Expo

students, P. Jagannathan, S. Balaji and S. Devanathan secured the first place for their project titled 'Portable Battery Operated Gas Burner' and the second position was secured by the third year students M. Abinaya, V. Dinakaran and P. Divya for their project titled 'Smart Energy Monitor'.

DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

Dr. Komala James, Prof & Head received the Global Award 'The 100 Most Dedicated Professors' during the World Education Congress held on 05.07.18 at Taj Lands End, Mumbai for Excellence in Education, Leadership & Teaching.

Mr. C. Saravana Kumar participated in an Online Contest, Texas Instruments University Program on 30.07.2018 conducted by the Texas Instruments, USA.

Mr. K. S. Balamurugan, Research Scholar defended his thesis during the viva-voce on 31.07.2018 under the supervision of Dr. B. Chidhambarajan, Principal/Prof.

Dr. M. Murugan, VP & Prof attended a Training Programme on the Academic Leadership during 30.07.2018-02.08.2018 at B. S. Abdur Rahman Crescent Institute of Science and Technology, Chennai under the Scheme of PMMMNMTT, MHRD, Govt. of India.

On behalf of the Dept. of ECE, Dr. Komala James, Prof hoisted the National Flag on the Independence Day Celebrations as an honour for retaining the first position in the University Examinations' Results during the Academic year 2017-18, even semester.

Dr.S.Ramesh, Asso Prof attended a two day workshop on the 'Underwater Optical Communication and Modelling of Photonic and Photovoltaic Devices (WOPPD)' during July 27-28, 2018 at SRM Institute of Science and Technology, Chennai.

On behalf of the Parivendhar Tamil Mandram, Dr.Komala James, Prof/Head acted as Jury for the Oratorical Competition conducted for the students of various depts of VEC on 27.09.2018.

Dr. Komala James, Prof. attended a meeting on

a) Megatrends and Technologies impacting the future of Education at Chennai held on 20.07.2018.

b) IETE Students' Forum (ISF) coordinated the summit at Gopalapuram, Chennai on 02.08.2018.

Ms.Ramya and her team won the 3rd prize in a Surprise Event, conducted by IETE Students' Forum at Gopalapuram, Chennai held on 02.08.2018.

Third Year Students went on an Industrial Visit on 20.09.18 to 'Chennai Metropolitan Water Supply and Sewage Board - CMWSSB' associated with the subject 'Environmental Science and Engineering' at different locations in Chennai, They were divided into four groups:

- Group - 1 visited Perungudi Sewage Collection, Sewage

Treatment & Disposal.

- Group - 2 visited Nesapakkam Sewage Treatment Plant & Disposal arrangements. Bio-gas power generation and maintenance procedures.

- Group - 3 visited Chembarambakkam dechlorination area, Aerator, Pulsator and Filter Bed.

- Group - 4 visited Koyambedu, Sewage Treatment Plant & Disposal facilities.

Mrs. R. Birundha, AP, Mr. A. G. Murali Krishna, AP and the Second Year Sec 4 students went on an Industrial Visit on 20.09.18 to the Regional Telecom Training Centre, Maraimalai Nagar, Kancheepuram.

Ms. S. R. Preethi AP, Mr. M. A. Seenivasan, AP and the Second Year Sec 2 students went on an Industrial Visit to Rajiv Gandhi Memorial Telecom Training Centre, Meenambakkam, Chennai on 28.09.2018 to sensitize the students to the Practical Challenges in Telecom Industry such as IOT Based Projects, Networking / MPLS VPN, GSM / CDMA Technology and Fibre Optics.

Mr. C. Saravana Kumar AP, Ms. K. Kamala AP and the Second Year Sec 4 students went on an Industrial Visit to RLT Instrumentation Pvt. Ltd, Chengalpattu on 28.09.2018 and learnt about the working Procedures of Electronics Instruments with quality standard such as Flow Meter, Level Transmitters, Strainer, Water Quality Analyzer, Pressure Transmitter, and Domestic Water Meters.

Ms. T. Annalakshmi and Dr. S. Ramesh published a paper on the 'Compact SIW Based Planar Inverted F Antenna' in the International Journal of Engineering and Technology, Vol.7, no.3, pp. 194-196, August 2018. (Scopus Index, SNIP:0.086, SJR: 0.102).

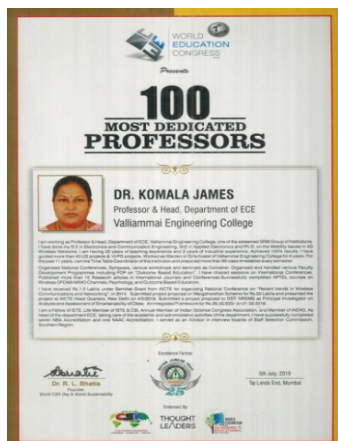

Ms. U. Namrutha, Mr. Arun Raaza and Dr.S.Ramesh published a paper on the 'Conformal Antenna for Aerodynamic Drag Reduction in Airborne system' in the International Journal of Engineering and Technology, Vol.7, no.3, pp.66-69, August 2018. (Scopus Index, SNIP:0.086, SJR: 0.102).

Mr. V. Satheesh Kumar and Dr. S. Ramesh published a paper on the 'LCP Based Planar High Q Embedded Band Pass Filter for Wireless Applications' in the Journal of Mobile Multimedia, Vol.14, no.3, pp. 307-318, July 2018. (Scopus Index, SNIP: 0.338, SJR: 0.112).

On behalf of the Entrepreneurship Development Cell, our Students attended a Skill Training Programme on 14.07.2018 organized by Mr.S.Senthilmurugan, AP.

A Seminar was conducted on the 'Opportunities in Civil Services for Engineers for our students on 18.07.2018. Mr.M.A.Seenivasan, AP delivered welcome address and introduced the Chief Guest Dr. V. Prakash, AP, Dept of Economics, Sri Malolan College of Arts & Science, Madurantakam, Affiliated to the University of Madras.

On behalf of the Alumni Meet, a Guest Lecture was conducted on 25.08.18 on the 'Reality of Engineering and DSP' for the second year students. Ms. Indu Nikhil, AP delivered welcome address and introduced the Chief Guest Mr. Muthuswamy Venkatraman, Alumnus of VEC during 2013-14, Recording Artist, NYU Steinhardt School of Culture, Education and Human Development, Greater New York City. He delivered a lecture on passion and motivation towards engineering.

Student Affairs Cell

The Student Affairs Cell of Valliammai Engineering College organized an expert lecture on Career Opportunities in Civil Services on 09.08.18. Mr.Thamizh Iyalan, Director, 'I am an IAS- Academy' along with his board of Director members, Dr.S.Sivakumar and R. Kingston, delivered a lecture on the career opportunities in Civil Services for all the department students. He explained the eligibility requirements and the guidance for effective preparation for these examinations. Totally, 117 students from different departments participated and benefitted by the expert lecture session.

The Cell also organized a Seminar on 'Study Abroad' on 24.09.18. Ms. Reshmy Vijay, Director,

Education Matters along with her team members delivered a lecture on the opportunities in higher education in countries abroad for all the department students. She briefly explained the eligibility requirements and the scholarship details for the higher education in Canada, Singapore, US and other European countries to the students.

The Coordinators were Dr.N.Usha Bhanu, Asso. Prof/ECE, and Dr.M.Senthil Kumar, Asso. Prof/CSE. The students clarified their doubts regarding entry criteria, fee structure and scholarship details from the resource persons. Totally, 45 students from different departments participated and benefitted by the Seminar.

The Value Added Course was conducted on 11.08.2018 and 25.08.2018 by the Team members (5) of SANDS - Signals and System India Pvt.Ltd, Chennai.

A Workshop was conducted on 'Machine Learning and Internet of Things' for the third year students on 20.08.2018. Ms. S. R. Preethi AP delivered welcome address and introduced the Chief Guest Mr. P. Raja, Senior Embedded Engineer, Pantech Solutions, Chennai. He delivered a lecture on Machine Learning Concepts & Hardware Architecture of Raspberry pi to the students.

An Expert lecture was conducted on the 'Importance of EMI in Electronic System Design' for our students on 07.09.2018. Mrs. K. Sobana, AP delivered welcome address and introduced the Chief Guest Dr. S. Ramprabhu, Asso Prof/ECE, SSN College of Engineering, Chennai. The Chief Guest spoke on the Electromagnetic radiation, the Elements of Interference, sources of EMI and Electrostatic Discharge (ESD) and the effects of EMI with real time examples.

Entrepreneurship Awareness Camp (EAC)

A Three Day Entrepreneurship Awareness Camp (EAC) was organized during 17th- 19th September 2018, sponsored

by the Entrepreneurship Development Institute of India, Ahmedabad and National Science & Technology Entrepreneurship Development Board DST. The Chief Guest Ms.Vaishnavi Vignesh Raja, Director, Equad Engineering Services, Perungudi, Chennai inaugurated the camp and addressed the students. Prof.N.Lakshmana Perumal, Dr.Komala James, Mr.Chandra Prabhu, Dr.E.Baskaran, Mrs. A.Uma Devi, Mr.Ganesan delivered speeches on different topics. The students were also taken for a visit to SANDS India Pvt. Ltd, Chennai.

'Mini Project Expo 2K18'

A 'Mini Project Expo 2K18' was organized on 19th September 2018. Our students exhibited and demonstrated many distinct projects with keen interest. The students delivered poster & project presentations to Dr. R. Karthik, Asso Prof of EEE department and Dr. Komala James, the reviewers of the projects. The best three projects were selected based on the technical aspects, hardware demonstration and presentation. Dr. N. Usha Bhanu, Asso Prof and Ms. R. Birundha, AP coordinated the Mini Project Expo successfully.

The 14th National Level Technical Symposium was conducted on 29th September 2018 in association with the

ISTE & IETE Students' Forum. Ms. Shweta Haran and Ms. Jebaslin Roshia Students of ECE delivered welcome address and the highlights of the Symposium Taras 2K18. Dr. M. Murugan, Vice Principal delivered the presidential address. He advised the students to develop team building and good interpersonal skills during collaborative tasks. The Chief Guest Mr. Jayapal Dharmamani, CEO and Founder, LabGlo Technologies LLP, Kerala, also the alumnus of VEC inaugurated the symposium and delivered a speech on the 'Stability on Self-Growth'.

Release of Souvenir at National Level Technical Symposium TARAS 2018

A Tech Talk on the 'Effective Teaching and Learning' was delivered by Ms. S. Abirami, AP on 16.07.18 to enhance teaching methodology, teaching outcomes and also discussed various pedagogical techniques.

Dr. S. Ramesh, Asso Prof delivered a Tech Talk on the 'Antenna Technologies for the Future' on 30.07.18. He highlighted the current Antenna Research & Design and also pointed out the development of wireless communication.

Dr. J. Mohan, Asso Prof talked about the technical issues on the 'Research on Human Brain Project' on 10.08.2018.

A Tech Talk was presented by Dr. C. Amali, AP on the 'Spectrum Energy Efficiency Trade off in 5G Multi Operator Networks' on 04.09.2018. She emphasized the prominence of Spectral Efficiency, Energy Efficiency for the design of 5G and beyond 5G wireless networks.

Ms. N. Subhashini, AP delivered a technical talk on the 'Cooperative Spatial Modulation for Cellular Networks' on 04.10.2018.

NPTEL

Our VEC has been an active NPTEL Local Chapter during January-April 2018. In this regard, Dr. M. Anbuzezhyan received the Appreciation Award for SPOC in the NPTEL Local Chapter on 14th July 2018 at IIT Madras, Chennai.

AICTE and NPTEL were signed an MOU on July 24, 2018 whereby advanced NPTEL online certification courses were approved for the Faculty Development Programme (FDP) by AICTE. (F. No. AICTE/RIFD/FDP Through MOOCs/2017-18).

The details of NPTEL Online Examination Registration of our staff and students for July-December 2018 session are as follows.

No. of courses registered	-	36
No. of staff	-	171
No. of students	-	132

DEPARTMENT OF ELECTRONICS & INSTRUMENTATION ENGINEERING

The Dept. in association with the ISA VMEC Student Charter organized a Guest lecture on the 'Advanced Controllers for Applications in Instrumentation Engineering' on 25th July 2018 by Mayandi Thirumurthy, Deputy General Manager- C&I BGR Energy Systems Ltd, Chennai.

Guest lecture on 'Advanced Controllers for Applications in Instrumentation Engineering'

The Dept. in association with the ISA VMEC Student Charter organized the following programmes.

- A Value-Added Course on the 'Calibration of Industrial Instruments' in association with Nagman Calibration Services, Nagman Instruments and Electronics Pvt Ltd, Chennai in July 2018 on 14.07.2018 and 21.07.2018.

Value-Added Course on the 'Calibration of Industrial Instruments'

- A Robotics Training Program on the 'Design of Robots' in association with SakRobotix Lab Pvt. Ltd, IIT, Bhubaneswar in the month of August 2018.
- A National Level Technical Symposium 'ORKESTRIM 2K18' on 25th August, 2018.

Release of Souvenir in the National Level Technical Symposium 'ORKESTRIM 2K18'

- A Guest lecture on the 'Hardwares in Networking' on 16th August 2018 by Dr. D. Meganathan, Assistant Professor, Department of Electronics Engineering, Madras Institute of Technology, Chennai.

Guest lecture on the 'Hardwares in Networking'

- A Seminar on the 'Internet of Things' (IOT) on 19th September 2018 by Mr. Balaji Ramasamy, Project Manager- INFOZIAN Technologies, Chennai.

Mr. G. Srinivasan and Dr. S. Visalakshi published a paper on the 'Assessment of Power Loss Minimization via Optimal Allocation of DGs with Network Reconfiguration

Seminar on the 'Internet of Things' (IOT)

in Radial Distribution Network Considering Load Levels' in the International Journal of Advance Research in Dynamical and Control Systems Special Issue No. 12 pp. 56-65 Sep. 2018.

The Second Year U.G students (Section-2) of the Dept of EIE visited Nemmeli Sea Water Desalination Plant, Chennai on 28.09.2018.

Industrial visit to Nemmeli Sea Water Desalination Plant, Chennai

Mr. M. Arunraj, Mr. Andy Srinivasan and Ms. A. Vimala Juliet published a paper on the 'Online RGB-D Action Recognition using Reduced Basis Decomposition' in the MATLAB Programming in Code ocean, <https://doi.org/10.24433/CO.bffdb1e>, July-2018.

Ms. Krithiga.R, III year EIE presented a paper on the 'Distributed Computing, VLSI, Electrical Circuits and Robotics (DISCOVER)' in the IEEE International Conference in August 2018 at Mangalore Institute of Technology & Engineering, Moodabidri. (IEEE Mangalore Sub-Section)

Mr. Karthikeyan. S, III year EIE participated in the National Level Symposium- Robotics, Technical Quiz and

DUBG events on 8th September 2018 at RVS Padhmavathy College of Engineering & Technology, Sethilpakkam, Thiruvallur.

Mr. Karthikeyan. S, III year EIE won the 1st prize in the National Level Symposium- MAZE events organized on 8th September 2018 at RVS Padhmavathy College of Engineering & Technology, Sethilpakkam, Thiruvallur.

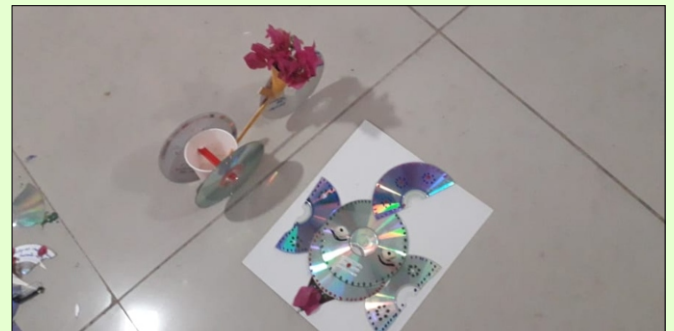

Mr. Jayasuriya. V, III year EIE completed a mini project on the 'Lake Cleaning Robot' under the supervision of Lema Labs, IIT Madras Research Park on 9th Sept. 2018.

Mr. Karthikeyan.S and Mr. Jayasuriya. V III year EIE won the 1st prize in the National Level Symposium- Line Follower on 15th September 2018 at Meenakshi Sundararajan Engineering College, Kodambakkam, Chennai.

Ms. Mariya Lurd Steffy, III Year EIE, was the winner in Anna University Zonal IV - Ball Badminton (Women) conducted in Valliammai Engineering College on 23rd August 2018.

Mr. Sheik Razeeq, II Year EIE participated in the NSS activity (UBA Survey) conducted on 27th and 28th to 30th August 2018.

Fine Arts Club

Vectorians Fine Arts Club conducted 'Wealth out of Waste' event for the 2nd, 3rd and the 4th year students on 10.08.2018. Ten teams from different departments participated and exhibited their talents in converting waste products into useful articles.

'Make Your Move' a solo dance performance was organized for the 1st year students on 28.09.2018. Around 30 students from different branches participated. The alumni members of Fine Arts Club helped to identify the budding stars.
