SRM VALLIAMMAI ENGINEERING COLLEGE

(An Autonomous Institution, Affiliated to Anna University, Chennai)
SRM Nagar, Kattankulathur, Chengalpattu District – 603203 Tamil Nadu

CHOICE BASED CREDIT SYSTEM

COMMON TO ALL M.E. / M.Tech. / M.B.A. FULL-TIME DEGREE PROGRAMMES

These regulations are applicable to the candidates admitted all the Post Graduate (PG) programmes offered in SRM Valliammai Engineering College from the Academic Year 2023-24 onwards.

1. PRELIMINARY DEFINITIONS AND NOMENCLATURE

In these Regulations, unless the context otherwise requires:

- i. **“University”** means ANNA UNIVERSITY, CHENNAI.
- ii. **“Head of the Institution”** means the Principal of the College.
 - i. **“Controller of Examinations (COE)”** means the authority of the Institution who is responsible for all activities of the Continuous Assessment Test and End Semester Examinations.
 - ii. **“Head of the Department (HOD)”** means the Head of the Department concerned.
- iii. **“Programme”** means Degree Programme that is B.E./B.Tech. Degree Programme.
- iv. **“Discipline”** means specialization or branch of B.E./B.Tech. Degree Programme, like Civil Engineering, Electrical and Electronics Engineering, etc.
- v. **“Course”** means a theory or practical subject that is normally studied in a semester, like Mathematics, Physics, etc.

2. PROGRAMMES OFFERED, MODE OF STUDY & ADMISSION REQUIREMENTS

2.1 The following PG programmes are offered by SRM Valliammai Engineering College:

Programme	Branch
M.E.	Communication Systems Computer Science and Engineering Control and Instrumentation Engineering Industrial Safety Engineering Power Systems Engineering Structural Engineering
M.Tech.	Data Science
M.B.A.	Master of Business Administration

2.2. Modes Of Study:

2.2.1 Full-Time:

Candidates admitted under 'Full-Time' should be available in the respective departments during the entire duration of working hours (From Morning to Evening on Full-Time basis) for the curricular, co-curricular and extra-curricular activities.

The Full-time candidates should not attend any other Full-time programme(s) / course(s) or take up any Full-Time job / Part-Time job in any Institution or company during the period of Full- Time programme. Violation of the above rules will result in cancellation of admission to the PG programme. The students should submit a undertaken in this regard to the Head of the Institution.

2.3 Admission Requirements:

2.3.1 Candidates for admission to the first semester of the Post-Graduate Degree Programme shall be required to have passed an appropriate Under-Graduate Degree **Examination of Anna University** or equivalent as specified under qualification for admission as per the Tamil Nadu Common Admission (TANCA) criteria.

Note: TANCA releases the updated criteria during the admissions every academic year. Admission shall be offered only to the candidates who possess the qualification prescribed against each programme. Any other relevant qualification which is not prescribed against each programme shall be considered for equivalence by the committee constituted for the purpose. Admission to such degrees shall be offered only after obtaining equivalence to such degrees.

2.3.2 However, the Academic Council may decide to restrict admission in any particular year to candidates having a subset of qualifications prescribed at the time of admission.

2.3.3 **Notwithstanding** the qualifying examination the candidate might have passed, he/she shall have a minimum level of proficiency in the appropriate programme / courses as prescribed by the Academic Council from time to time.

2.3.4 Eligibility conditions for admission such as the class obtained, the number of attempts in qualifying examination and physical fitness will be as prescribed by the Syndicate of the University from time to time.

3. STRUCTURE OF THE PROGRAMMES

3.1 Categorization of Courses

Every Post Graduate Degree Programme will have a curriculum with syllabi consisting of theory and practical courses that shall be categorized as follows:

- i. **Basic Sciences Courses (BSC)** include Mathematics, Physics, Chemistry, Biology, Environmental Science etc.
- ii. **Professional Core Courses (PCC)** include the core courses relevant to the chosen specialization/branch.
- iii. **Professional Elective Courses (PEC)** include the elective courses relevant to the chosen specialization/ branch.
- iv. **Employability Enhancement Courses (EEC)** include Project Work, Internship, Seminar, Professional Practices, Case Study and Industrial/Practical Training etc.
- v. **Research Methodology and IPR Course (RMC)** covers topics on the process of research and patenting.

3.2 Courses per Semester

Curriculum of a semester shall normally have a blend of lecture courses and practical courses including Employability Enhancement Courses. Each course may have credits assigned as per clause 3.3.

3.3 Credits will be assigned to the courses as given below:

3.3.1 The following will apply to all modes of P.G. Programmes.

Contact period per week	CREDIT
1 Lecture Period	1
1 Tutorial Period	1
2 Laboratory Periods (also for EEC courses like / Seminar / Project Work / Case study / etc.)	1
2 Weeks Industrial Training / Internship	1
3 Weeks Industrial Training / Internship	2
4 Weeks Industrial Training / Internship	3

3.3.2 Practical training or Industrial Training if specified in the Curriculum should be organized by the Head of the Department for a duration not exceeding 4 weeks.

3.3.3 **Summer project** if specified in the Curriculum, should be organized by the Head of the Department / Institution for a **duration not exceeding 6 weeks**.

3.4. The electives from the curriculum are to be chosen with the approval of the Head of the Department.

3.5 Project Work

3.5.1 The Project work is an important component of Post-Graduate programmes.

The Project work for M.E. / M.Tech. consists of Phase – I and Phase – II. The Phase – I is to be undertaken during III semester and Phase – II, which is a continuation of Phase – I is to be undertaken during IV semester.

3.5.2 The Phase-II Project work for M.E. / M.Tech. / M.B.A. shall be pursued for a minimum of 15 weeks (or) 75 Days during the final semester (or) M.E. / M.Tech. 350 periods of 50 minutes each (or) M.B.A. 400 periods of 50 minutes each.

3.5.3 The Project work shall be carried out under the supervision of a “qualified faculty” in the Department concerned. In this context “qualified faculty” means a faculty member possessing (i) PG degree with a minimum of 3 years of teaching experience or (ii) Ph.D. degree.

3.5.4 A student may, however, in certain cases, be permitted to work on projects in an Industrial / Research Organization, on the recommendations of the Head of the Department. In such cases, the Project work shall be jointly guided by a supervisor of the department and an expert as joint supervisor from the organization and the student shall be instructed to meet the supervisor periodically and to attend the reviews for evaluating the progress.

3.6. Industrial Training / Internship

3.6.1 The students may undergo Industrial training for a period as specified in the curriculum during summer / winter vacation. In this case the training has to be undergone continuously for the entire period.

The students may undergo Internship at a Research organization / University / Industry (after due approval from the Head of the Department), for the period prescribed in the curriculum during summer / winter vacation, in lieu of Industrial training.

3.7 Value Added Courses

The students shall undergo the Value Added Courses which are jointly organized by academicians and industrial experts. The duration of the courses is not less than 30 hours.

3.8 Online Courses

Students shall be permitted to credit one online course offered by the SWAYAM Platform, subject to a maximum of three credits, with the approval of the Head of the Institution in lieu of an open elective course / a professional elective course. The Head of the Institution shall form a three member committee with members as HOD and a faculty member from the Department of the student, HOD of any other branch of the Institution. The committee has to ensure that the student has not studied such courses and would not repeat it again as Professional Elective/Open Elective course.

3.9 Medium of Instruction

The medium of instruction is English for all courses, examinations, seminar presentations and project / thesis reports.

4. DURATION OF THE PROGRAMME

- 4.1 The minimum and maximum period for completion of the P.G. Programmes are given below:

Programme	Min. No. of Semesters	Max. No. of Semesters
M.E. / M.Tech. / M.B.A. (Full Time)	4	8

- 4.2 Every **Programme** will have a curriculum and syllabus consisting of core courses, elective courses and project work. The Programme may also include seminar, practical, Industrial training, Summer project if they are specified in the curriculum.

- 4.3 The Curriculum and Syllabi of all the P.G. Programmes shall be approved by the Academic Council of SRM Valliammai Engineering College. The number of Credits to be earned for the successful completion of the programme shall be as specified in the Curriculum of the respective specialization of the P.G. Programme

- 4.4 For M.E. / M.Tech. Programme each semester shall normally consist of **75 working days** (or) **350 periods of 50 minutes each**.

For M.B.A Programme each semester shall normally consist of **75 working days** (or) **400 periods of 50 minutes each**.

The Head of the Department shall ensure that every teacher imparts instruction as per the number of periods specified in the syllabus and that the teacher teaches the full content of the specified syllabus for the course being taught.

- 4.5 The minimum prescribed credits required for the award of the degree shall be within the limits specified below:

PROGRAMME	PRESCRIBED CREDIT RANGE
M.E. / M.Tech.	65 – 75
M.B.A.	94 – 96

- 4.6 Due to extra-ordinary situation or student's non-contact hour situation, the theory classes may be conducted through online mode as per the instructions by the statutory bodies such as UGC, AICTE, Anna University and State/Central Government.

- 4.6.1 Due to extra-ordinary situation or student's non-contact hour situation, the Laboratory practical sessions and project works may be conducted through virtual mode as per the instructions by the statutory bodies such as UGC, AICTE, Anna University and State/Central Government.

5. COURSE ENROLLMENT AND REGISTRATION

The courses that a student registers in a particular semester may include

- i. Courses of the current semester.
- ii. Reappearance for the core (Theory / Laboratory / EEC) courses in the earlier semesters.
- iii. Reappearance for the Elective courses in the earlier semesters.

5.1 Each student, on admission shall be assigned to a Class Advisor (vide clause 7) who shall advice and counsel the student about the details of the academic programme and the choice of courses considering the student's academic background and career objectives.

5.2 Every student shall enroll for the course of the succeeding semester before the end of the current semester. However, the student shall confirm the enrollment by registering for the courses within the first five working days after the commencement of the concerned semester.

5.3 After registering for a course, a student shall attend the classes, satisfy the attendance requirements, earn Continuous Assessment marks and appear for the End-Semester Examinations.

5.3.1 On admission, the student shall register for all the courses of the first semester as prescribed in the curriculum. The enrollment for all the courses of the Semester II will commence 10 working days prior to the last working day of Semester I. The student shall confirm the enrollment by registering for the courses within the first five working days after the commencement of the Semester II.

5.3.2 The enrollment for the courses of the III and IV Semester will commence 10 working days prior to the last working day of the preceding semester.

5.3.3 Registration for Reappearance

If a student fails to secure a minimum pass in theory / Laboratory / Project Work / EEC courses, he/she has to register for reappearance for that course with same continuous assessment mark in the end semester examination.

5.3.4 However, if the student has failed in any of the professional elective or online course, he/ she has the option to take up correspondingly some other professional elective or online course in the final semester only, if permitted by the Head of the Department based on the availability of such courses. The registration details of the students may be approved by the CoE.

6. ATTENDANCE REQUIREMENTS FOR COMPLETION OF A SEMESTER

6.1 A Student who has fulfilled the following conditions shall be deemed to have satisfied the requirements for completion of a semester. Ideally every student is expected to attend all classes of all the courses and secure 100% attendance. However, in order to give provision for certain unavoidable reasons such as **medical reasons (prolonged hospitalization / accident / specific illness)**, also consider Sports/NCC/NSS/NSO **ON DUTY**, the student is expected to attend a minimum of 75% of the classes for every course of the semester.

Therefore, he/she **shall secure not less than 75% attendance** (after rounding off to the nearest integer) in every course that he/she has registered as calculated as per clause 6.4.

6.2 However, a student who secures an attendance for any course(s) between **65% and 74%** in the current semester due to **medical reasons (prolonged hospitalization / accident / specific illness** and also Sports OD/NCC OD/NSS OD) may be permitted to appear for the current semester examinations subject to the condition that the student shall submit the medical certificate. The same shall be forwarded to the Controller of Examinations for record purposes.

6.3 Students who secure **less than 65% attendance** in any course and students who do not satisfy the clause 6.1 and 6.2 shall not be permitted to write the End-Semester examination of that course. They are required to redo with the permission of the Head of the Institution.

6.4 For the purpose of calculation of attendance requirement for writing the end-semester examinations by the students for every course, the following formula shall be used.

$$\text{Percentage of Attendance} = \frac{\text{Total no. of periods attended in all the courses per semester}}{(\text{No. of periods / week as prescribed in the curriculum}) \times 15} \times 100$$

taken together for all courses of the semester

7. CLASS ADVISER

There shall be a faculty adviser for each student. He / She will be appointed by the Head of the Department concerned. The responsibilities for the faculty adviser shall be:

- To act as the channel of communication between the HoD and the students of the respective class.
- To collect and maintain various statistical details of students.
- To help the class committee chairman in planning and conduct of the class committee meetings.

- To monitor the academic performance of the students including attendance and to inform the class committee chairman and parents concerned.
- To attend to the students welfare activities like awards, medals, scholarships and industrial visits.
- To inform the parents about their wards academic performance

8. CLASS COMMITTEE

8.1 A Class Committee consists of teachers of the concerned class, student representatives and a chairman who is not teaching the class. It is like the “Quality Circle” with the overall goal of improving the teaching-learning process. The functions of the class committee include:

- Solving problems experienced by students in the class room and in the laboratories.
- Clarifying the regulations of the programme and the details of rules therein.
- Informing the student representatives, the “academic schedule” including the dates of assessments and the syllabus coverage for each assessment period.
- Informing the student representatives, the details of regulations regarding the weightage used for each assessment. In the case of practical courses (laboratory / project work / seminar etc.) the breakup of marks for each experiment/ exercise/ module of work, should be clearly discussed in the class committee meeting and informed to the students.
- Analyzing the performance of the students of the class after each test and finding the ways and means of improving the Students Performance.
- Identifying the slow learners, if any, in any specific subject and requesting the teachers concerned to provide some additional help or guidance or coaching to such slow learners as frequently as possible.

8.2 The class committee for a class under a particular programme is normally constituted by the Head of the Department. However, **if the students of different programmes are mixed in a class, the class committee is to be constituted by the Head of the Institution.**

8.3 The class committee shall be constituted within the week of each semester.

8.4 At least 2 student representatives (usually 1 boy and 1 girl) shall be included in the class committee.

- 8.5 The chairman of the class committee shall invite the Class adviser(s) and the Head of the Department to the meeting of the class committee.
- 8.6 The Head of the Institution may participate in any class committee of the Institution.
- 8.7 The Chairman of the Class Committee is required to prepare the minutes of every meeting, submit the same to the Head of the Institution within two days of the meeting and arrange to circulate among the concerned students and teachers. If there are some points in the minutes requiring action by the management, the same shall be brought to the notice of the management by the Head of the Institution.
- 8.8 The first meeting of the class committee shall be held within one week from the date of commencement of the semester in order to inform the students about the nature and weightage of assessments within the framework of the Regulations. Two or three subsequent meetings may be held at suitable intervals. During these meetings the student members, representing the entire class, shall meaningfully interact and express the opinions and suggestions of the class students to improve the effectiveness of the teaching-learning process.

9. COURSE COMMITTEE FOR COMMON COURSES

Each common course offered to more than one group of students shall have a "Course Committee" comprising all the teachers teaching the common course with one of them nominated as Course Coordinator. The nomination of the course Coordinator shall be made by the Head of the Department / Head of the Institution depending upon whether all the teachers teaching the common course belong to a single department or to several departments. The "Course committee" shall meet as often as possible and ensure uniform evaluation of the tests and arrive at a common scheme of evaluation for the tests. Wherever it is feasible, the course committee may also prepare a common question paper for the Assessment Test(s).

10. SYSTEM OF EXAMINATION

- 10.1 Performance in each course of study shall be evaluated based on (i) Continuous Assessment (CA) throughout the semester and (ii) End-Semester Examination (ESE) at the end of the semester.
- 10.2 Each course, both theory and Laboratory (including project work & viva voce Examinations) shall be evaluated for a maximum of 100 marks.

Each course shall be evaluated for a maximum of 100 marks as shown below:

Sl.No	Category of course	Continuous Assessment Test	End-Semester Examinations
1	Theory Courses	40 Marks	60 Marks
2	Laboratory Courses	60 Marks	40 Marks
3	Project Work	60 Marks	40 Marks
4	All other EEC Courses	100 Marks	--

10.3 Industrial training and seminar shall carry 100 marks and shall be evaluated through internal assessment only.

10.4 The Continuous Assessment Test (theory and practical) of 3 hours duration will be conducted.

The end -semester examination (theory and practical) of 3 hours duration shall ordinarily be conducted between October and December during the odd semesters and between April and June during the even semesters.

10.5 The end-semester examination for project work shall consist of evaluation of the final report submitted by the student by an external examiner and an internal examiner, followed by a viva-voce examination conducted separately for each student by a committee consisting of the external examiner and an internal examiner.

10.6 For the end-semester examination in both theory and practical courses including project work the examiners shall be appointed by the Controller of Examinations.

11. PROCEDURES FOR AWARDING MARKS

- For all theory courses, the continuous assessment shall be for a maximum of 40 marks.
- For all practical courses, the continuous assessment shall be for a maximum of 60 marks.
- For project work, the continuous assessment shall be for a maximum of 60 marks.

11.1 The marks for the continuous assessment shall be awarded as per the procedure given below:

11.1. (a) Theory Courses:

There are two continuous assessment tests during every semester. The Continuous Assessment Test I and II have 50% weightage of syllabus.

The criteria for arriving at continuous assessment test marks of 40 are as follows:

Assessment Mark I (100 Marks)		Assessment Mark II (100 Marks)		Total Internal Assessment
Individual Assignment / Case Study / Seminar / Mini Project	Written Test	Individual Assignment / Case Study / Seminar / Mini Project	Written Test	
40	60	40	60	200*

*The weighted average shall be converted into 40 marks for internal Assessment.

The student must attend the end-semester examination for 100 marks and the marks obtained shall be converted to 60 marks.

The **End-Semester Examination** question pattern is **10 questions in Part A** each carrying two marks, **5 questions in Part B** (either or type) each carrying 16 marks from all five units.

The question pattern for continuous assessment test (CAT) will be as follows: 10 questions in Part A each carrying two marks, 5 questions in part B (either or type) each carrying 16 marks.

The duration of Continuous Assessment Tests and End-Semester Examinations is 3 hours. For Continuous assessment tests valuation is single valuation and for the End-Semester Examinations it is evaluated by either Internal Examiner or External Examiner.

11.1. (b) Practical Courses:

(i) With End-Semester Examination:

The maximum marks for Internal Assessment shall be 60%. Every practical exercise / experiment shall be evaluated based on conduct of Experiments / Execution, Record, Model Exam and viva-voce.

The criteria for arriving at the Internal Assessment marks and End-Semester Examinations are as follows:

Internal Examination (60 Marks)			End-Semester Examinations (40 Marks)
Execution	Record	Model Exam	External
30	10	20	40

The student must attend the end-semester examination for 100 marks and the marks obtained shall be converted to 40 marks.

(ii) Purely based on Internal Assessment:

The practical courses of the above category for which there are no end-semester examinations shall be evaluated purely based on the internal assessment only.

11.1. (c) EMPLOYABILITY ENHANCEMENT COURSES:

(a) The seminar / Case study is to be considered as purely INTERNAL (with 100% internal marks only). Every student is expected to present a minimum of 2 seminars / case study before the evaluation committee and for each seminar, marks can be equally apportioned. The three member committee appointed by Head of the Department will evaluate the seminar and at the end of the semester the marks can be consolidated and taken as the final mark. **The evaluation shall be based on the seminar paper / case study report (40 marks), presentation (30 marks) and response to the questions asked during presentation (30 marks).**

(b) The Industrial / Practical Training, Summer Project, Internship, shall carry 100 marks and shall be evaluated through internal assessment only. At the end of Industrial / Practical training / internship / Summer Project, the candidate shall submit a certificate from the organization where he / she has undergone training and a brief report. The evaluation will be made based on this report and a Viva-Voce Examination, conducted internally by a three member departmental committee constituted by the Head of the Department.

11.2 Internal marks approved by the Head of the Institution shall be displayed by the respective Head of the Department within 5 days from the last working day.

12. EVALUATION OF PROJECT WORK

The evaluation of Project Work for Phase-I & Phase-II of M.E. / M.Tech. shall be done independently in the respective semesters and marks shall be allotted as per the weightages given in Clause 12.1.

The evaluation of Project Work for M.B.A. shall be done in the fourth semester and marks shall be allotted as per the weightages given in Clause 12.1.

12.1 There shall be three assessments during the Semester by a review committee. The Student shall make presentation on the progress made before the Committee. The Head of the Department shall constitute the review committee for each branch of study. The total marks obtained in the three assessments shall be reduced to 60 marks and rounded to the nearest integer (as per the Table given below).

There will be a vice-voce Examination during End-Semester Examinations conducted by a Committee consisting of one internal examiner and one external examiner. The internal examiner and the external examiner shall be appointed by the Controller of Examination. The distribution of marks for the internal assessment and End-semester examination (Phase I & Phase II) is given below:

Internal Examinations (60 Marks)			End-Semester Examinations (40 Marks)			
Review I	Review II	Review III	Thesis (20)		Viva-voce (30)	
			Supervisor	External	Internal	External
15	15	30	10	10	10	10

The student must attend the end-semester examination for 100 marks and the marks obtained shall be converted to 40 marks.

- 12.2** If the candidate fails to obtain 50% of the internal assessment marks in the Phase-I and Phase-II / final project, he/she will not be permitted to submit the report for that particular semester and has to re-enroll for the same in the subsequent semester.

If a candidate fails to submit the project report on or before the specified deadline, he/she is deemed to have failed in the Project Work and shall re-enroll for the same in the subsequent semester. This applies to both Phase-I and Phase-II of **M.E./M.Tech. Project Work / M.B.A. Final Semester Project work.**

If a candidate fails in the end-semester examinations of Phase-I, he/she has to resubmit with necessary modifications in the Project Report within 30 days from the date of declaration of the results. If he / she fails in the End-semester examination of Phase-II of Project work of M.E./M.Tech. he/she shall resubmit the Project Report within 60 days from the date of declaration of the results. The resubmission of a project report and subsequent viva-voce examination will be considered as **reappearance with payment of exam fee. For this purpose, the same Internal and External examiners shall evaluate the resubmitted report.**

- 12.2.1 A copy of the approved Project Report after the successful completion of viva-voce examinations shall be kept in the library of the college / institution.
- 12.2.2 Practical / Industrial Training, Summer Project if specified in the Curriculum shall not exceed the maximum duration of 4 weeks **and should be organized by the Head of the Department for every student.**

12.2.3 At the end of **Practical / Industrial Training, Summer Project** the candidate shall submit a certificate from the organization where he/she has undergone training and also a brief report. **The evaluation for 100 marks will be carried out internally based on this report and a Viva-Voce Examination** will be conducted by a Departmental Committee constituted by the Head of the Department. Certificates submitted by the students shall be attached to the mark list sent by the Head of the Department to the Controller of Examination.

12.3 Assessment for Seminar / Professional Practices / Case Study

The seminar / Case study shall carry 100 marks and shall be evaluated through continuous assessment only. Every student is expected to present a minimum of 2 seminars before the evaluation committee and for each seminar, marks can be equally apportioned. The three member committee appointed by Head of the Department will evaluate the seminar and at the end of the semester the marks can be consolidated and taken as the final mark. **The evaluation shall be based on the seminar paper / report (40 marks), presentation (30 marks) and response to the questions asked during presentation (30 marks).**

13. REQUIREMENTS FOR APPEARING FOR END-SEMESTER EXAMINATIONS

A candidate shall normally be permitted to appear for the End-Semester Examinations for all the courses registered in the current semester (vide clause 5) if he/she has satisfied the semester completion requirements (subject to clause 6).

A candidate who has already appeared for any subject in a semester and passed the examination is not entitled to reappear in the same subject for improvement of grades.

14. PASSING REQUIREMENTS

14.1 A student who secures not less than 50% of total marks prescribed for the course [Internal Assessment + End-Semester University Examinations] with a minimum of 45% of the marks prescribed for the end-semester University Examination, shall be declared to have passed the course and acquired the relevant number of credits. This is applicable for both theory and laboratory courses (including project work).

- 14.2** The passing requirement for the courses which are assessed only through purely internal assessments (EEC courses except project work), is 50% of the internal assessment (continuous assessment) marks only.
- 14.3** The internal assessment marks obtained by the candidate in the first appearance shall be retained and considered valid for all subsequent attempts till the candidate secure a pass. However, from the third attempt onwards if a candidate fails to obtain pass marks (IA + End-Semester Examination) as per clause 14.1, then the candidate shall be declared to have passed the examination if he/she secure a minimum of 50% marks prescribed for the end-semester examinations alone.

15. AWARD OF LETTER GRADES

- 15.1** All assessments of a course will be evaluated on absolute marks basis. However, for the purpose of reporting the performance of a candidate, letter grades, each carrying certain number of points, will be awarded as per the range of total marks (out of 100) obtained by the candidate in each subject as detailed below:

Letter grade	Grade Points	Marks Range
O (Outstanding)	10	91 – 100
A+ (Excellent)	9	81 – 90
A (Very Good)	8	71 – 80
B+ (Good)	7	61 – 70
B (Average)	6	56 – 60
C(Satisfactory)	5	50-55
RA (Reappear)	0	<50
SA (Shortage of Attendance)	0	-
W (withdrawal)	0	-

A student is deemed to have passed and acquired the corresponding credits in a particular course if he/she obtains any one of the following grades: “O”, “A+”, “A”, “B+”, “B” and “C”.

‘SA’ denotes shortage of attendance (as per clause 6.3) and hence prevention from writing the end-semester examinations. ‘SA’ will appear only in the result sheet.

“RA” denotes that the student has failed to pass in that course. “W” denotes **withdrawal** from the exam for the particular course. The grades RA and W will figure both in Marks Sheet as well as in Result Sheet). In both cases the student has to reappear for the End-Semester Examinations.

- 15.2 The grades O, A+, A, B+, B and C obtained for the one credit course shall figure in the Mark sheet. The Courses for which the grades are RA, SA **will not figure in the mark sheet.**

Grade sheet:

After results are declared, Grade Sheets will be issued to each student.

GPA for a semester is the ratio of the sum of the products of the number of credits for courses acquired and the corresponding points to the sum of the number of credits for the courses acquired in the semester.

$$\text{GPA} = \frac{\text{Sum of (Credits Earned X Grade Points)}}{\text{Total Credits}}$$

CGPA will be calculated in a similar manner, considering all the courses registered from first semester.

$$\text{CGPA} = \frac{\sum_{i=1}^n C_i \text{GP}_i}{\sum_{i=1}^n C_i}$$

'RA', 'SA' and 'W' grades will be excluded for calculating GPA and CGPA.

Where,

C_i - is the Credits assigned to the course

GP_i - is the point corresponding to the grade obtained for each Course

n - is number of all Courses successfully cleared during the particular semester in the case of GPA and during all the semesters in the case of CGPA.

The GPA and CGPA indicate the academic performance of a candidate at the end of a semester and at the end of successive semesters respectively.

16. ELIGIBILITY FOR THE AWARD OF DEGREE

16.1 A student shall be declared to be eligible for the award of the PG Degree (M.E./ M.Tech./ M.B.A.) provided the student has

i. Successfully gained the required number of total credits as specified in the curriculum corresponding to the student's programme within the stipulated time.

ii. Successfully completed the course requirements, appeared for the End-Semester examinations and passed all the subjects prescribed in all the 4 semesters within a maximum period of 4 years reckoned from the commencement of the first semester to which the student was admitted.

iii. Successfully passed any additional courses prescribed by the Department Committee, whenever readmitted under subsequent new regulations (**vide clause 18.2**)

iv. No disciplinary action pending against the student.

The award of Degree must have been approved by the authorized body of the University.

16.2 Classification of the Degree Awarded

16.2.1 First Class with Distinction

- A student who satisfies the following conditions shall be declared to have passed the examination in **First class with Distinction**:
- Should have secured a **CGPA of not less than 8.50**.
- Should have passed the examination in all the courses of all the four semesters in the student's First Appearance within two years, **which excludes authorized break of study (if availed), of one year. Withdrawal from examination (vide Clause 15) will not be considered as an appearance.**
- Should NOT have been prevented from writing end-Semester examination due to lack of attendance in any of the semester.

16.2.2 First Class

- A student who satisfies the following conditions shall be declared to have passed the examination in First class:
- Should have secured a **CGPA of not less than 6.50**
- Should have passed the examination in all the courses of all four semesters within three years, which excludes one year of authorized break of study (if availed) of one year or prevention from writing the End-Semester Examination due to lack of attendance (if applicable).

16.2.3 Second Class

All other students (not covered in clauses 16.2.1 and 16.2.2) who qualify for the award of the degree (vide Clause 16.1) shall be declared to have passed the examination in Second Class.

16.3 Photocopy / Revaluation
