ABOUT THE COLLEGE

Valliammai Engineering College was incepted in September 9, 1999. It is situated in an expansion of 13.35 acres and is by the side of NH 45, between Tambaram and Chengalpet. The serene atmosphere with the surrounding greenery is conducive to the pursuit of higher studies.

The college functions in a multi-storied building complexes of 60,151 square meters to accommodate the demands of the ever increasing number of students.

It is approved by AICTE, New Delhi, Accredited by NBA, 'A' Grade Accreditation by NAAC, ISO Certified and Affiliated to Anna University Chennai.

The courses offered and approved intake in each course are given below.

1. **B.E/B.Tech**

    - Information Technology[@]   120
    - Computer Science and Engineering[@]   120
    - Electronics and Communication Engineering[@]   180
    - Electrical and Electronics Engineering[*]   120
    - Electronics and Instrumentation Engineering[*]   120
    - Mechanical Engineering[#]   180
    - Civil Engineering[#]   180

2. **Post Graduate Courses**

    - M.C.A   60
    - M.B.A   120
    - M.E. (Control & Instrumentation Engg.)   18

Any other kind of dress is totally restricted. All the students are expected to wear proper, formal shoes only. **Chappals / sandals are not allowed**.

Dress Code for Laboratories

The uniform for laboratories of I,II,III and IV year students will be prescribed by their respective Heads of Departments.

SCHOLARSHIPS AND SPECIAL PRIZES

Various scholarships of Government of India and TamilNadu Government are given for BC/MBC/SC/ST students as per rules. National merit scholarships, service scholarships and special scholarships for children of cine workers are also available.

Our Chairman has instituted Dr. T.P. Ganesan Trust Award from the year 1999 with an objective to provide financial assistance to the deserving wards of the employees of the S.R.M. Group of institutions. These assistances are to be granted to the wards in the form of tuition fees waiver and scholarships. Cash awards and merit certificates are given for

- 100% attendance
- Toppers of each course from all semester in Anna University Exams

- Highest marks in the College / University examinations
- Special Achievers Awards for outstanding performance in co-curricular and extra- curricular activities
- Best Performers in sports Activities
- Best outgoing student from each department.

VALUE ADDED COURSES

In every semester, several Value added courses are conducted regularly in various departments during outside regular hours on optional basis. This is to provide an opportunity for the students and staffs to choose the courses according to their desire and inclination. The courses are offered to bridge the perceived technical competency gaps and to improve the employability prospects of the students.

CAMPUS FACILITIES

Physical Education

The Physical Education Department was incepted in the year 1999. Our college team is affiliated to Zone IV of Anna University Sports Zone. Our boys and girls actively participate in all major tournaments including Cricket, Football, Basket ball and Volley ball. The College has a very good Basket ball court, Volley ball court and a Tennis court. It has facilities for indoor games such as Badminton, Table Tennis and Chess.

Students of this college have achieved remarkable feats as Winners and Runners-up ranging from the Inter-collegiate to University level, State & National Level sports and have retained the championship & medals. Every year, we celebrate "College Day" function for honoring the best sports students.

National Service Scheme

The N.S.S unit of the College was inaugurated by Dr. S. Karunanidhi, Controller of Examinations, University of Madras, on the 15th of September, 2001. The unit has 154 volunteers. There are 7 students who have been selected as student representatives from all the 7 UG Branches. The unit has organised special camps for adopted villages, schools and hospitals and several activities such as Tree Plantation, Health Awareness Rally, Blood Donation on emergency, Election Bandhobust, Swachch Bharath Abhiyan etc.

Our college received the following awards for NSS from the Anna University.

RULES & REGULATIONS FOR VEC STUDENTS

1. To enforce discipline among students, dress code of the college is strictly adhered to. They should attend the college in formal dress. The boys are not supposed to wear jeans and T-shirts when they attend college and girls should wear churidars with pinned dupattas.

2. Students should wear black or brown shoes only.

3. Students should wear valid college ID cards with tags and it should not be kept in the pockets/bags. Otherwise, they will not be permitted to enter the campus and attend the classes.

4. All undergraduate (UG) students should wear laboratory coats whenever they attend laboratory classes.

5. Students should not bring mobile phones to college. For emergency, a common phone facility is available on payment basis. However, if a student is found using mobile phone, he/she will be suspended for 10 working days. In the beginning of every semester, every student on roll should register for that semester as per Registration Form with an Undertaking, failing which the student will not be permitted to attend classes.

6. Students should be regular and punctual in attending classes and all activities connected to the college. Late comers will not be allowed to attend classes under any circumstances.

7. If a student does not attend college without prior permission for more than three days consecutively, it will be intimated to the parents. Parents should meet the HOD concerned along with the student and should give a written undertaking, as per Format A, confirming regular attendance thereof, and then only the student will be permitted to attend further classes.

8. Periodical Tests will be conducted for all the departments on common dates as per the schedule, communicated in the beginning of every semester.

9. If a student fails to attend Periodical Tests the student will be awarded zero mark. Retest will be conducted only for the student with genuine reason.

10. Procedures for awarding marks for internal assessment(IA): The maximum marks assigned to different courses shall be as given below: Each of the theory and practical courses (including project work) shall carry a maximum of 100 marks of which 20 marks will be through internal assessment and the End Semester Examination (ESE) will carry 80 marks. The marks for the continuous assessment shall be awarded as per the procedure given below:

Theory Courses: Three tests each carrying 100 marks shall be conducted during the semester by the Department / College concerned. The total marks obtained in all tests put together out of 300, shall be proportionately reduced for 20 marks and rounded to the nearest integer (This also implies equal weightage to all the three tests).

Practical Courses: The maximum marks for Internal Assessment shall be 20 in case of practical courses. Every practical exercise / experiment shall be evaluated based on conduct of experiment / exercise and records maintained. There shall be at least one test. The criteria for arriving at the Internal Assessment marks of 20 is as follows: 75 marks shall be awarded for successful completion of all the prescribed experiments done in the Laboratory and 25 marks for the test. The total mark shall be reduced to 20 and rounded to the

nearest integer. For further details, please refer Regulations 2013. However, at the end of every Periodical Test, the progress report as per Format B, will be sent by post / handed over to students for getting the signature of their parents and the same should be returned to the coordinator within a week.

11. During the working hours, students should be in their respective classrooms / laboratories or library. They should not loiter or gather in common places like portico, pathways and canteen.

12. Attendance percentage is calculated as follows

$$\% \, Attendance = \frac{Total \; number \; of \; periods \; attended}{Total \; number \; of \; periods \; conducted} \times 100$$

Students having less than 75% of attendance will be counselled by the Class Co-ordinator every fortnight. In turn, the student should submit an undertaking to the Co-ordinator as per Format C, confirming regular attendance, thereof.

13. Indiscipline of students, in any form, will be viewed very seriously and such students will be issued TC, irrespective of their academic performance.

14. As per the rules of the Anna University, a student who fails to maintain a minimum of 75% of attendance, in a particular semester, will be detained. Such student is not eligible to appear for the University examinations in that semester and he/she cannot continue his/her studies in the subsequent semester. He has to redo the courses of that semester along with his juniors in the subsequent academic year. However, he/she will be permitted to appear for arrear examinations.

15. Students, who have three or more arrears, will be considered as poor performers and special classes will be conducted for such students from 4.15pm to 5.15 pm on all working days. All the poor performers should attend such special classes without fail. Such of those poor performers, who secure more than 75% of marks in all the subjects in the Periodical Tests conducted subsequently, will be exempted from attending special classes. However, if such students do not perform well in the next Periodical Tests, they have to continue attending special classes. All the poor performers should abide by this rule of VEC and TC will be issued to the defaulters.

16. In practical classes, students should complete all previous record work in all aspects. In the absence of that, they will not be permitted to do the next experiment.

17. Students are strictly instructed not to attend any works such as NSS, Sports, Placement, Conference and Seminar without prior approval from the HOD concerned and Principal.
